- 2 ask in class (at the appropriate times)
- 3 during morning advisory

class materials

composition notebook

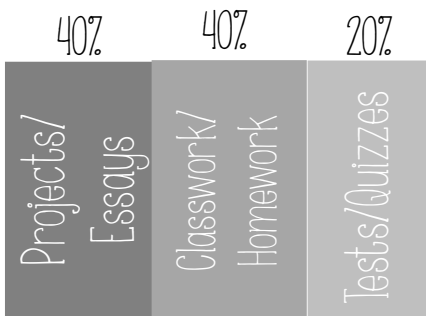

pencils & pens

scissors & glue

sticky notes & highlighters

grades

Tips for success

- 1 A positive attitude and an open mind
- 2 Be proactive & prepared
- 3 Show respect & kindness
- 4 Always be reading!

homework & preparation

Students should read 30 minutes every night. No reading logs will be collected, but you will regularly be asked to complete assignments reflecting your independent reading.

Most other work will be able to be completed in class if students use their time wisely. Exceptions to this may be larger projects or writing assignments for which students may require extra time outside of class to complete.

If students do not complete the assigned classwork in the time allotted, it will be assigned as homework to ensure timely coverage of all necessary learning goals.

Students should come prepared each day with all materials and a book to read.

responsibility

Grades will be updated within two weeks of an assignments due date. Please check grades regularly and feel free to ask me any questions that you might have.

If you are absent, you are responsible for completing your make-up work (one day for make-up for each day absent).

You can e-mail me for this information or check Google Classroom in your absence.
